#Careforyouandme
Korea's patented microbiome
innovation for skin to sinus and
immunity health.

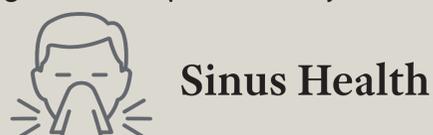

About Brand Story

Cubiome was born from a 25-year legacy of probiotic research at ProBionic Corporation, Korea's leading biotech innovator. Founded by Professor Yong Ha Park, the pioneer behind *Lactobacillus sakei* Probio65®, our mission is to empower natural health through microbiome science.

Why Choose **Cubiome**?

*Cubiome Probiotics, derived from Korean kimchi, make daily gut care effortless. Each sachet delivers patented *Lactobacillus sakei* Probio65® — a clinically proven probiotic formulated for your unique need for:*

"Microbiome therapeutics may seem like a wild idea back in 20 years ago, but now, as we understand more on the science behind it, I believe it will be the next generation solution to chronic illnesses "

Founder of Cubiome
PROFESSOR YONG-HA PARK
 with more than 30 years of research on human microbiome

CLINICALLY-PROVEN AND PATENTED FUNCTIONALITY

For Skin & Intestinal Health (Glow from Within)

Formulated with *L. sakei* Probio65® — approved by Korea's Ministry of Food and Drug Safety for improving skin linked to immune sensitivity.

Contains:

Probiotics (16B Probio65 + 5B Plantarum), Prebiotics, Hyaluronic Acid, Low-Molecular Collagen, L-Proline, Vitamin C, Vitamin A, Raspberry Extract.

Benefits:

Healthier, glowing skin
 Balanced gut microbiome
 Relief from acne, dryness, or sensitivity

Recommended For:

Dry / sensitive / acne-prone skin, bloating, digestive imbalance.

For Immune & Respiratory Health (Defend from Within)

Triple-patented formula combining Probio65®, Plantarum, and Salivarius for full-body immune and respiratory support.

Contains:

10B Probio65 + 10B Plantarum + 1B Salivarius

Benefits:

Fewer colds & allergies
 Stronger immunity
 Balanced digestion

Recommended For:

Frequent colds, sinus allergies, gut imbalance.

For Sinus Health (Breathe Better Naturally)

Pure *L. sakei* Probio65®, a patented strain isolated from kimchi, known for its anti-inflammatory and antimicrobial properties.

Contains:

21B CFU Probio65 (Single Strain)

Benefits:

Supports healthy sinus microbiome
 Reduce inflammations
 Natural alternative to steroids

Recommended For:

Chronic sinusitis, congestion, dust & pollen sensitivity, sinus headaches.

Scientifically Proven Strains:

Selected from over 10,000 Korean isolates with documented results in peer-reviewed journals.

Naturally Sourced from Kimchi:

Harnessing traditional fermentation to deliver clinically validated probiotics.

Advanced Formulation:

Each product combines probiotics, prebiotics, postbiotics, and paraprobiotics — designed for real results.

Dairy-Free & Family-Safe:

Suitable for all ages, including pregnant or breastfeeding mothers.
